

Health Funds

ATMS is a 'professional organisation' within the meaning of section 10 of the Private Health Insurance Accreditation Rules 2011. This potentially allows ATMS accredited members to be recognised as approved providers by the various private health funds. Approved health fund provider status is, however, subject to each individual health fund's eligibility requirements.

Consequently, membership of ATMS does not automatically guarantee provider status with all health funds. Please also note that several health funds do not recognise courses done substantially by distance education, or qualifications obtained overseas.

Additional requirements for recognition as a provider by health funds include:

- *Clinic Address (Full Street Address must be provided – Please note that some health funds may list your clinic address on their public websites)*
- *Current Senior First Aid*
- *Current Professional Indemnity Insurance (some health funds require specific minimum cover amounts. Please refer to the individual health fund terms and conditions for further information)*
- *Compliance with the ATMS Continuing Education Policy along with any additional continuing education requirements stipulated by the health fund*
- *Current National Registration (where applicable)*
- *Compliance with the Terms and Conditions of Provider Status with the individual health funds.*

ATMS must have current evidence of your first aid and insurance on file at all times.

When you join or rejoin ATMS, or when you upgrade your qualifications, you will need to fill out the ATMS Health Fund Application and Declaration Form available on the ATMS website. Once this is received, along with any other required information for health fund eligibility assessment, details of eligible members are sent to the applicable health funds on their next available listing. The ATMS office will also forward your change of details, including clinic address details to your approved health funds on their next available list. Please note that the health funds can take up to one month to process new providers and change of details as we are only one of many health professions that they deal with.

Lapsed membership, insurance or first aid will result in a member being removed from the health funds list. As health funds change their provider eligibility requirements from time to time, upgrading qualifications may be necessary to be re-instated with some health funds.

TERMS AND CONDITIONS OF PROVIDER STATUS

Many of the Terms and Conditions of Provider Status for the individual health funds are located on the ATMS website. For the Terms and Conditions for the other health funds, it will be necessary to contact the health fund directly.

BEING A PROVIDER IMPLIES ACCEPTANCE OF THE TERMS AND CONDITIONS FOR THE HEALTH FUNDS.

Please note that whilst there is no law or regulation requiring patient clinical notes to be taken in English, many of the major health funds do require patient clinical notes to be taken in English. **Failure to do this will be a breach of the Health Funds Terms and Conditions and may result in the practitioner being removed as a provider for that health fund.**

For health funds to rebate on the services of Accredited members, it is important that a proper invoice be issued to patients. The information which must be included on an invoice is also listed on the ATMS website. It is ATMS policy that only Accredited members issue their own invoice. An Accredited member must never allow another practitioner, student or staff member to use their provider details, as this constitutes health fund fraud. Misrepresenting the service(s) provided on the invoice also constitutes health fund fraud. Health fund fraud is a criminal offence which may involve a police investigation and expulsion from the ATMS Register of Members.

It is of note that the health funds require practitioners to be in private practice. Some health funds will not recognise claims where accommodation, facilities or services are provided or subsidised by another party such as a public hospital or publicly funded facility. Rebates are only claimable for the face to face consultation (not the medicines or remedies); however this does not extend to mobile work including markets, corporate or hotels. Home visits are eligible for rebates.

ONLINE OR PHONE CONSULTATIONS ARE NOT RECOGNISED FOR HEALTH FUND REBATES.

Please be aware that whilst a health fund may indicate that they provide a rebate for specific modalities, this rebate may only be claimable if the client has the appropriate level of health cover with that fund and has not exceeded any limits on how much they are eligible to claim back over a certain period of time.

These details will appear on the ARHG websites. If you do not wish your details to be sent to ARHG, please advise the ATMS office on 1800 456 855.

The ARHG provider number is based on your ATMS number with additional lettering. To work out your ARHG provider number please follow these steps:

- 1 Add the letters AT to the front of your ATMS member number
- 2 If your ATMS number has five digits go to step 3. If it has two, three or four digits, you need to add enough zeros to the front to make it a five digit number (e.g. 123 becomes 00123).
- 3 Add the letter that corresponds to your accredited modality at the end of the provider number;
 - A Acupuncture,
 - C Chinese Herbal Medicine,
 - H Homoeopathy,
 - N Naturopathy,
 - O Aromatherapy,
 - W Western Herbal Medicine.

If ATMS member 123 is accredited in Western herbal medicine, the ARHG provider number will be AT00123W.

- 4 If you are accredited in several modalities, you will need a different provider number for each modality (e.g. if ATMS member 123 is accredited for Western Herbal Medicine and Aromatherapy, the ARHG provider numbers are AT00123W and AT00123O).

ARHG - REMEDIAL MASSAGE AND CHINESE MASSAGE

Remedial Massage and Chinese Massage therapists who graduated after March 2002 must hold a Certificate IV or higher from a registered training organisation.

Members who are accredited for Remedial Massage or Chinese Massage, will need to use the following letters.

- M Massage Therapy
- R Remedial Therapy

The letter at the end of your provider number will depend on your qualification, not the modality in which you hold accreditation*. All members who meet the ARHG eligibility requirements, who hold a Diploma of Remedial HLT50302, HLT50307 or HLT52015 or a Diploma of Chinese Remedial Massage HLT50102, HLT50107 or HLT50112 will be able to use both the 'M' and 'R' letters. It is recommended to use the 'R' as often as possible, but as not all health funds under ARHG cover 'Remedial Therapy', it will be necessary to use the 'M' at the end of the provider number for those funds only. All other eligible Remedial Massage Therapists who do not hold the Diploma of Remedial HLT50302, HLT50307 or HLT52015 or a Diploma of Chinese Remedial Massage HLT50102, HLT50107 or HLT50112 are required to use the 'M' at the end of their provider number.

**Members accredited for Remedial Therapies and approved for ARHG for this modality under their previous criteria will continue to be recognised under Remedial Therapy and will be fine to use the 'R' in their provider number. Should members in this situation lapse membership, first aid or insurance etc they will then be required to meet the current ARHG criteria.*
